“ Hey Family, Uncle Dap was one of my favorites! He was always cool, relaxed and easy to talk too. There was never a dull moment when he was around, I loved hearing both him and my Dad laughing and talking. Truly a sound I'll always cherish. Uncle Dap will always be loved and missed. Love Vee

“ Nothing but loving memories of Daddy Dap. He called me, "daughter," and embraced me as his own. That car didn't move unless I was in it. Whether to the grocery store, fishing, Cedar Point or music concerts, I was included. So many beautiful memories from summer picnics and boat rides to Christmas tree shopping and us kids decorating the entire house. Daddy Dap gave me fatherly advice throughout my life. He encouraged me to stay in school, to take up a trade and he counceled me before I enlisted in the Army. Him and Momma Freddie will never be forgotten. They would always send my mother a plate. I miss them both. My prayers are with the family, always, Boo.
