“ Uncle Pete that is what I knew him as. I have many fond memories of him and things I did with him not only as a child but an adult. Uncle Pete celebrated my wedding with me and my husband and we had a great time that night. Pete liked to try the different flavors of moonshine with us. He came to our house which was his brother's LaVern who passed away in 2004 in May. Uncle Pete loved our house and what we have done. He was always wanting to be a part of my life from earlier on till now. I really loved and enjoyed his company. He will be greatly missed by me. I can't be at the funeral but I'm sorry for the family's loss, my loss too. RIP Uncle Pete.

“ I had the pleasure of meeting "Pete", while he was at Briarwood. He always had something to talk about. I'm really gonna miss those conversations. Rest easy, "Pete."
