“ To you Little Mike & your family I am sorry to hear about your lost. Even though we don't understand why remember God know's best & that he won't put no more on us than we can bear. You & your family will be in my prayers. Just remember the good times you & he had together & know that there will be more good times with him at a later time, but for now he must rest. May God bless you all & take care.
