Hi Mr Hogan. I've known your brother Jerry for over 65 years. We served together in England in 1957. We even shipped on the same orders: Jerry shipped from Africa and I shipped from Columbus, Ohio , Lockbourne AFB. I still have my copies of those orders. Recently I asked you a question and you laughed. Jerry said it was one of the few times He'd seen you laugh. Wish I had been there. Perhaps we'll see each other sometime.

I'm that white cat, Art Cotton .
