“ *Mrs. Walker was a joy to talk with after church. She always would remind you constantly to hold on to God's unchanging hand. I remember the first time the choir sang the song for her, she was absent. The second time we sang the song and she was present, she smiled and her face lit up like a candle. She definitely let her little light shine for all the world to see. Doug and I enjoyed talking with her in the basement of the church when we were eating repast keeping her occupied while Carolyn and Will would finish the business at hand. I am truly going to miss her as the Senior woman of the church. She has truly sown many seeds and is now reaping her reward in Heaven. To God be the Glory.*

I am so sorry for the loss of your Mother. I did not have the pleasure of meeting or knowing your Mother but, I do know the feeling of losing a Mother.
I pray God holds you close during this most difficult time. God Bless Your Family.*

Kimmie, Larry, and family my heart goes out to you at the time of great loss. I hold you and your family in my thoughts and pray that you know that you are surrounded by love. Your mother was a wonderful individual. She was kind, loving and sweet. I always appreciate her smiles and kind encouragements. She will be missed but never forgotten.

“ *Kimmie, I was filled with both loss and joy at the hearing of your mom passing. Loss for the sense of lacking of not having her here with you/us but a Joy unspeakable Joy at how your mom must have celebrated upon seeing the face of Jesus. We all, who grew up there on Crystal Lake, have such life long memories of your mom and we know the love and relationship she had with our Savior. We loved her and will sorely miss her but know she went home!*
