The death of your Mom leaves me greatly saddened. I am comforted by memories of her beautiful smile, her kindness, and the many stories told to me by my own Mom about 'Cleo'. Their highschool friendship has given us special gift and lifelong relationship that I won't ever take for granted.

Please know that although I am not near,time nor distance will ever change our friendship or the love that I feel for your family. Each of you and your children are in my prayers...with heartfelt sympathy during this most difficult time.

*I love you all,
Pam Buck-Christian & Family*

“ *Larry,*

The last time we saw one another was at Citizens Bank in Southfield, some months back. I was saddened to hear of your mother's passing. Do know I am praying with you and for you during this time. It was 2 years ago that my mother passed (12.05.06) and trust me, I know what you are going through. Trust in GOD and hold to his hand. Take care, Angie
