“ CJ I will miss you so much. Everybody that knew you knows that you were one of a kind. There will never be another CJ. Also everybody that knew us knows how our relationship was and that I loved and still love you just as much as anyone else. This has hurt me so bad more than anyone could know. I know that CJ knows that I love him and I know that he loves me. I want to say to Rudy CJ loved you like a son and he always told me he wanted the very best for you. Ramona and Papa CJ always told me he wanted his family back together and he was in the process of finding you all a big house as a surprise. I know from our talks everyday that he loved his family and friends more than anything and all he ever wanted to do is help people no matter what he said or did. I am truly grieving for you all as a family and I wish you all the best in your time of need.

“ It's always sad to hear of someone dying so young, but it surely hits home when it's your family. I love you CJ. You've fulfilled your purpose here on earth, and God has taken you away from this world, that is plagued with so much violence and chaos. He knows best.

Love Always,

“ I would like to express my deepest sympathy to the family. My heart is filled with sorrow of hearing the disturbing news. I was a classmate as well as a school friend of Mr. Clyvester(C.J.) Rison and Miss Ameisha Kirkland. I haven't seen him for some time. My remembrance of him gives me a smile, just he he always made me do years ago in school. I remember him as a sweet,mild and caring young man. I understand the deep hurt and pain that you all are feeling right now, but remember that...."Weeping may indure for a night but JOY will come in the morning" May God bless and keep you all!
