“ I was lucky enough to have my first station assignment, with Clevin, in the Fire Dept. He often took the time and effort to guide me and show me how things worked. I know many others also benefited from his help.

“ I worked on security at GMCCAS. Clevin came through the truck gate several times a day. He was always a bright ray of sunshine and I was always so happy to see him! We had many wonderful conversations about jazz music (my dad was a jazz musician and Clevin always had jazz music playing in his truck), the beautiful sunsets, and the beauty of the earth. Clevin's smile was so contagious! He always said he'd love to sit with my dad because he was sure he would have so many memories to share from his band days. My dad passed away just 5 days before Clevin did. I'll bet they are finally having those conversations in Heaven. All my love and prayers go out to Clevin's wonderful family.
