“ *My dear uncle.... I know we shouldn't question God's work so I'm not going to. How can I see you one day, and the next you're gone? U worked ALL of my nerves (lol) but I love you. Every time we saw each other or talked you would tell me you just wanted to be a good uncle to me and make up for lost time. And in these past few years you were definitely a good uncle to me. #LongLiveCB*
