“ *Hi Cousins*

I am very sorry about the loss of Uncle Jack. He truly was a man that knew God as far as I am concerned. He counseled me in many areas of life and I am grateful. Don't be concerned, if any of you are, why he chose to have his arrangements the way he did. After all, we all are freewill agents that may chose how this is done. I love you all and will continue to pray for our family. Marcella

“ To the James Family. Although I never met your Dad I did know that he existed as all of you. You all have my deepest sympathy and also for the loss of your sister, Mary. OK needless to say I didn't know about Mary's demise and now I have questions. Terry give me a call when/if you get this note. Hopefully I will see you all on Saturday depending on my own condition. You are all in my prayers.
