At the early age of (17) Cliff joined and proudly served the United States Army as a "Buck Private". Within six years he attended Officer Candidate School and was commissioned as a Second Lieutenant. “ I had the pleasure of working with Cliff at GMAC . He was the most positive individual I had ever met. Great work ethic and a tremendous sense of humor. I must admit I was taken aback reading the history of his background. How impressive it was. I don't recall Cliff ever going into depth regarding his background. My sincere condolences to Martha, Byron, Cheryl and Joyce.
