*Clisson was a classmate of mine and dear friend to my cousin Arthur Burns, for the last few weeks I have been asking about him, praying for him and I added him to our prayer list at our church. I am truly sorry for the loss of fellowship with your beloved family member. You have my deepest sympathy and the Finney family is in my prayers. May God give you peace and comfort at this time.*

“ *My heart is very much saddened that I won't hear my brother shouting, "Hey Blackey!", when he sees me. But, I'm also rejoicing that he has received his wings, and he had no more worries, no more sorrows, and no more pain. God doesn't make mistakes, and as much as we would like to hold on to the ones that we love, we can't because God's plan is always better. Jackie has served his purpose on this earth, and he now has eternal life with our Father, and his family and friends. Jackie you are loved and will be forever missed! Until we meet again my brother, Rest In Peace my Angel!! 😊*
