“ *Clora was one of those people who, when you got to know her, you could never forget her. She was so full of life! The stories she could tell about her life left me spellbound. I told her she should write a book about her experiences. She would come over and we would crochet together...so many beautiful things she made....it just amazed me. Those are things that will live on forever in her memory and I cherish the items she made for me. God speed to you Clora, you are sadly missed but will never be forgotten. Love to you and yours, Shannon.*

“ Even though we did not know your loved one personally, we are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.

“ I am very sorry to hear of Clora's passing. It is sad that I hadn't seen her since my dad passed away. I pray the Lord comforts you. So much family and the younger ones do not know each other. I pray we can work on a gathering of us all without it being a funeral. God Bless. This Family.

“ To the family;
May the Spirit of the Lord comfort you in your time of trouble. He said in his Word he will never leave you or forsake you. He meant what he said. Look to him for your comfort. I have never met a woman like Mrs. Clara. She was my patient in the hospital. She was a very proud woman with a lot of dignity. I fell in love with her instantly as well as alot of my co-workers. I will never ever forget her. The short time we had together made an impact in my life. I love you all and remember, look to the hills which cometh your help, all your help comes from Jesus.

*God Bless
Loretta*
