“ *I will never forget Clorender, that beautiful smile would make a person get caught up in the moment. She was always a happy person on the outside. We share a grandson and became friends. To know her was to love her. We feel she has gone to soon, but the Lord knows all and make no mistakes. To her daughter, husband and grands, she will now be with you with every step you take, always in your heart and you in my prayers. She loved you so much and I loved her and shall never forget her.*
