“ *Pat,
I know a tragic loss like this is so hard to understand. But in your own time, in your way may you find a place of healing in your heart. Remember that God doesn't make mistakes, for he is a merciful God and will not give you more than you can bare. Having a son like Fruit has been one of the greatest gifts life has given to you, Pat. God blessed you with 19 yrs. with your child, for we all know tomorrow is not promised to anyone. Fruit was God's son first all God did was call him back home. You know what I remember most about Fruit his smile. Can you see that beautiful smile look to the sky. May God be with you and your family.*

“ *My condolences and prayers go out to the family. Your son and brother will be greatly missed. God has called him home to be one of his angels. I know you have the question of "Why" but look to God and he will help you through this. It is not your battle it is the Lords. Your heart is heavy now but you will see him again. “ Grandma Pat I know you are taking it hard right now because someone felt bad about another man, and took a innocent mans life. Things will stay hard for now but in the end things will get better.
