“ To Ms. Mary, Keba, Roni, & Jonathan. I am so sorry for your loss and I can't even imagine how you guys feel right now. Yet, God will continue to provide and comfort you. I will miss Dad!!

I will never forget how Keba and I would be late for school and Dad would drive us and we would make it on time because we would be going the about 100 miles per hour down Welch blvd.

I Love you guys and when I come back to Flint I'll come by.

“ To Colliard's family. Mary you and your family have my deepest sympathy in your time of loss. We all worked together and it was really a shock. But do take comfort in knowing that he is no longer in pain and he would want to keep your head up. He's gone to a better place. His pain and suffering is over. He's gone to do his work in my father's house. Only God knows what's best for us. You and your family are in my prayers. May God bless and keep you and your family in his holiness. Sincerely Sandra Copeland and family.
