“ *I have known the Coulter Family for about 50 years. She was a very caring and loving person. She was like a mother to me. She passed exactly one month after my mother. RIP and the family has my deepest sympathy, ESPECIALLY SONNY*

“ To the Coulter Family: Our lives reflect but dimly the perfection of the Lord, and when our loved ones pass beyond our view, they come into the presence of the One who made us all, where glorious love and joy come shining through...and while the earth is precious and our sorrow is sincere, our hope is in the promise we are given that life is but a journey leading to the perfect home that God prepares for each of us in Heaven. She was very special to me, a warm loving, caring person. I'll miss her. With sympathy.

“ Aunt Tot you will forever have a special place in my heart. I know you are in a better place and will no longer have to suffer with the cruelties of this world. I can truly say that when God blessed me with aunts, he gave me two of the best. I will never forget you.

Love You,  
Michele
