“ *Teresa and Family~*

My heart felt sympathy goes out to you and your family. I know words at this time are little comfort but I will keep you all in my thoughts and prayers. Please try to find comfort knowing your mom is saved and with God's grace all who have passed before her were waiting for her to come home. There is no suffering, no pain and no sadness for her only for those left behind. Try to find peace knowing she is safe in God's hands and someday you will all be together again.

*Take Care and God Bless you all~
