Even though I wasn't able to be at Corey's service today I wanted to let you all know that this was a beautiful tribute and home going to him. Just beautiful. Your mom would have been so proud! I really miss her as I know you all miss her the most. I was so sorry to hear about Corey and I pray that you all take comfort in knowing that he is at "home" again with your mom helping her as they helped each other. Rest assured you all did well with Corey as I knew you would. May memories of him bring smiles to you and comfort your heart when the need arises. God bless you all. May he RIP. ❤️🙏

*I regret, I am not able to witness the homegoing celebration of my nephew Corey. Corey will always hold a special place in my heart. I am so thankful for all he did to bring much joy as he helped in carrying for my late Sister, Ann. I am also thankful He was able to spend good quality time with his Loving sisters, Demetria and Ameka. They too loved him dearly and He will be missed. I pray God will heal their broken spirits and He will forever live in our hearts and Soul.
Love 💕 always Corey,
your Aunt Faye.*
