“ Have you ever wondered why we grow old and die? Some sea turtles live for hundreds of years. Certain Trees have lived For Thousands of years. But Humans Lived to be just 70 or 80 years and then die. Have you ever wondered why? That answer is found at Romans 5:12. Will that situation be resolved will be found at Revelations 21:3,4.

“ We are very sorry for your loss. Death is not natural. The creator not not make us to live and then die.As our family also have suffered the sting of death.These scriptures of the resurrection has helped us greatly. At John chapter 5 verses 28,29.Jesus said," all in the GRAVES will hear his voice and come out". John chapter 11 tells about Jesus' friend Lazarus.How he called him out of the grave after four days showing the world the power that was bestowed upon him by his father. He will do this on a larger scale.As Revelation chapter 21 verses 1-5 states. I hope these scriptures will help your family as they have helped my family.Again we are so sorry for your loss.
