“ *My condolence to you and your family, I know that words sometimes can't always heal the pain. Just knowing that someone cares and time will heal us. JOB14:13-15 says it well that our creator longs to bring him back and through his son Jesus he will call sunny from the grave so we can see him again. Please be comforted with the thought that Jehovah knows our pain and hurt and "will" remember our loved ones. From that the Dantzler family.*

“ you taught me how to fish, and all about cars!! you once said if you get a car, you have to know how to keep it up and running. and anytime I needed anything, you and mom were there. A lot of times she would be against helping, but when I went to you, you told her, Gone ahead and help the girl ... I also remember when I picked up a stray dog, (A Collie, and it was pretty), and I brought it home, and asked if we could keep it.. you looked at the Dog and called it CHAMP.. We stayed on Grand Travers at that time .Then, there was the time you ran a after hours gambling place off of Ave B, over by Rankins st., and you had me behind this counter selling liquor and beer .I was were all the action was back in the day.. you will be truly missed..
