“Cousin Joyce, Curtis was a very special person. We always enjoyed his company and infectious smile. He was such a talented and amazing guy with a heart of gold. Curtis believed in family. He was an excellent husband, father, grandfather and brother who always enjoyed being around his family. He was a Godly man who loved the Lord. We enjoyed worshipping with him every Sunday (texting him the link to services) and Thursday night Bible Study via satellite. We will miss his sense of humor and listening to all of his stories about life, gardening and his weekly commentaries about politics, football, etc. that he would post. We're praying for God's strength and comfort for you, Shawn, Garron, Herbert and the entire family. We love you and we're always here for you. Love, Peace and Blessing Winston and Colleen.

“ To the Crump Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death. The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
