“ When my husband and I went to Smokin J's Mr. Johnson would always take the time to come out and talk with us. He shared with us when his mother surprised him and we also spoke about his health issues. He was a nice person, his family was also. I called to order food on Wednesday and his son informed me the restaurant was closed and he had passes. I was so sad to hear that. I want to extend my condolences to the family and I will pray that our heavenly father gives you comfort during this time. Greg and Selina Merriwether
