“ I'm very sorry for your lost and very sorry that I was unable to meet my brother. I heard a lot of good things about him and I guess we really had a lot in common. I wish I had met him. I'm glad that he had others in his life to fill our void as our big brother (Anthony Walker) spoke at the funeral and said. God Bless you and the rest of your family.

“ Dear family of Curtis Richard,

We were so sorry to learn about the death of Curtis. The pain you feel will ease up in time but for now know that you are in our thoughts. And better yet, know that God has promised to bring our loved ones back by means of His son, Jesus. Please read Curtis' future in John 5:28,29, then bring your life in harmony with Jehovah's will so you can be here to welcome Curtis back.

“ Dearest Richard Family, I wanted to share my sympathies for your loss at this time. I am a former resident of Flint and it is so sad to hear of the death of anyone. I especially hope that you will be comforted through this time. At Job 14:13,14,15 the promise is that God will have a "yearning" to restore life to the dead. Please find comfort with family and friends.

Remember that God will never put more on us than we can bear, So continue to be strong and keep pressing on family and He will pull you through. I don't have recent memories about him but i do know that back in the day Curtis and I were close and I thank God that i am able to say that he was a good friend. May God keep the Richard Family in His hands and continue to bless you all!

“ I just want my family to know that I loved my lil cousin Curtis. And I remember our very last conversation. He was just getting back from Detroit after performing and he said that he missed all of us and he couldnt wait to see us. I told him to make sure he stays committed and focused on his music. And also that I wanted a CD and that I was proud of him. Also that my children and I loved him very much. We had alot of good times collectively as a family. I hope during this tragedy that it brings us closer together and to be able to visit each other as often as possible. I love my family and Im praying for our strength.
