“ *Mr. Williamson was my brother's counselor at Flint Central in early 90s. Later, I had the opportunity to work with him as a teacher while he was assistant principal at Southwestern. He encouraged me to consider becoming a school administrator. I had never seriously considered it until he mentioned it. My prayers and thoughts are with the family of this wonderful man and mentor to many.*

“ Kycha, I have known you for almost 24 years. You are my sister, my friend and most importantly your fathers baby girl! I know first hand how close you and Mr. Curtis were. If anybody has talked to you for more than 2 minutes, they know about Mr. Curtis! I will not pretend to know how you feel or tell you don't cry or to be strong. But what I will tell you is that God is able to heal your pain and give you the peace that passes all understanding. I am praying for you and your family. You know that I am but a phone call away. I can remember Mr. Curtis' smile and his love for you. He always said Deb please take care my baby for me. You are blessed to have shared 70 wonderful years with him. You stuck by your dad during the good, bad, illness and even his death. You most surely have a starry crown in Heaven! I love you my sister and I am praying for you and the family! God Bless and keep you all.

“ *To the family of CURTIS, a life-long friend of the MOORES. We were so sadden to hear of the homegoing of Curtis. He is now at rest no more pain, no more hospitals, pills and medicine!!! He is truly in a better place. Look to the hills for all your strength in the coming dark days and nights. WEEPING may endure for the night, but surely JOY will come in the morning. We will be praying with and for the family.*
