“ *We are very sadden to hear of your loss. There are never enough words to express at a time like this. But to know, that there is no more pain, and suffering that your Loved One, has to endure. She is in the presence of the Lord. That alone should give you much comfort. Stay prayerful and trust in the Lord for your strength. God Bless, the Burks and Young Family.*

“ Our deepest sympathy goes out to the Children of Cynthia Burks  
the Burks family and Dr.s Michael and Larry Young. and It seems  
that those precious moments we remember is taken away from us  
some times early, but only God has all the answers. Cynthia was a  
kind, caring and loving individual, whose smile could light up a  
room. May God comfort you in the loss of your love one.

“ Even though it has been many years since I have seen Cynthia, I  
remember to this day the impact she had on me in my early years at  
AC Spark Plug. She would always be friendly and have a smile for  
me. She was, in my memory, a lovely lady.
