“ I will trully miss seeing Mario during the summer at the Pro-Am games. I remember when he first started playing Basketball at Carpenter Road with my brother. He was so tiny. He enjoyed basketball and I enjoyed watching him play as he got older when he began to go forth in his gift of Basketball. And to his family, I will be praying that the peace of God will be with you.

“ We will truely miss Marrio. We reflected on our memories (all the homies) out in the "Shores". He was such a great and committed father and freind to many people and to someone very special to myself and my son. Marrio will never be forgotten. Family and freinds you have and will continue to be in my prayers. Know that Marrio is in a beautiful place and GOD is always with you.

RIP MARRIO

“ I didn't know Marrio well, we went to high school together and had some common associates. He was quiet when I was around him but, I always got this vibe from him that he was a sweet person. I witnessed him helping friends when they were in need.He had a nice smile. He was a good person and had a good heart. I will pray for strength and understanding for the family of Marrio. Remember there is no wound that God can't heal.
