“ *DaMesha, you never knew this but when we're the only people that worked until 5pm in our unit, I was so happy that I wasn't alone and you were with me. I enjoyed our laughs, breaks, and lunches together. All I know now is that our department will never be the same without you. No one could ever replace your beautiful spirit, or presence. Our loving father took you home because you were too beautiful for this place and he knows best. Forever missed & Forever in my Heart ❤️. Praying for your beautiful family 🙏*

“ *My deepest sympathy to Damesha's children, mother, sister and family. I met Damesha while working at MDHHS and we instantly clicked and became really good friends. She was the most caring, generous, giving, loving co-worker in the building. Her presence in the office brought so much joy to her co-workers and her clients because she was always willing to go above and beyond for everyone she met. It was such a pleasure to work with her for many years and becoming really good friends, she will definitely be missed*

“ *I'm sure that GOD intended a lot of good out of losing such a beautiful soul, otherwise how else could we process such a sudden and tremendous loss. DaMesha was a genuine soul and such humanitarian. She was a believer in Christ and always transparent, a great leader to follow all things to make the workplace happier, brighter and filled with hope. DaMesha will be missed and I am praying for her children, mother and family that the LORD that she served so diligently with her heart comforts and guides your life everlasting. Gone too soon, but what a pleasure to have gotten to know her in her milestone years of her life. YOU ARE A PHENOMENAL WOMAN.* ”
