“ My deepest condolences and prayers to the family of Dansby. I`ve known Dansby `since Doyle, we both attended Christ Assembly until our family changed membership and later we graduated from Northern. I will always remember his “fast talk”, laughter and big smile. He was always thinking of ways to invest in the city. May you find comfort in knowing that God will carry you through this bereavement period as you prepare to celebrate Dansby’s life.Be blessed and know that others are praying for you!

“ *To the Tedford Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
