“ *Maria,*

Carnie and I are deeply saddened to hear of the passing of your beloved son, Quan. As you know our entire family was praying for his physical recovery; however, God chose to make him whole by taking Quan home to be with Him. So, although it may be arduous and painful, we all humbly acquiesce to God's perfect and righteous will. We are yet praying for you and your family during this transition and very difficult time. Know that we love you and that we support you. We are here for you; day or night simply pick up the phone and we will be there.

With love,

Carnie and Tracey Cavette- Palmer

“ To my Barfield and Skinner family we have had our share of lost these past few years. But know God is in control and He has promise He will never leave or forsake us. May His peace comfort and surround you as you walk through this difficult time. The pain may not go away, but you will learn to live with it. And Dequan will always be in your heart and always just a memory away. Love always.
