“ I went to Mott Adult with Darice & daughter April. She was the oldest student in the class and we all thought that it was so amazing being her age returning to school for her diploma. She was a great inspiration to us. I graduated with Darice in 2004. She was a beautiful person who was always positive. I thank God for the time I had with her. Rest in perpetual peace my dear friend. I'll never forget u.

“ I can remember how my mom told me that Aunt Darice helped give me my middle name. Roshawnda. She was happy I was born. And she helped me get my driver's license. She took me to the secretary of state and got me through the tedious process. I will never forget how thoughtful and kind she was. I appreciate her for always being helpful to me in my life. I thank her for everything. Smiling at me and showing me love . I will miss her. Ms. Kizzy Wade
