“ *I met Darlene in elementary school and we became life long friends. We ended up being seperated by time and distance. We finally reconnected and it was like we never lost contact. She was a beautiful person inside and out. I am really going to miss our talks, our laughs and most of all our conversations about the Lord. Rest in Heaven my dear friend. I love you and miss you much!*

“ *To The Haralson Family*

I want you to know you're in my prayers..

I imagine you may be overwhelmed because you been battling with your Mother health lately, and maybe you're wondering how things are ever going to work out. And just want to remind you that although life brings many changes,....

God's love for us remains constant. He's always there, guiding us through decisions and helping us do the hard things....always restoring in us a sense of hope and peace, no matter what we're facing. And most beautiful thing about God is that the more we need Him, the closer He is.....That's how I know. He is especially close to you guys now.

Lamentation 3:32

"Though He brings grief, He also shows compassion according to the greatness of His unfailing love.

“ Sending my prayers and deepest sympathy to my dear friend Demond, Al and Ms. Darlene's entire family during this difficult time. I seen Ms. Darlene on my last visit to Flint in February. She was in great spirits and just as "jazzy" as I've always known her to be. She had sweetest and most down to earth spirit. She will definitely be missed. I'm praying God's love and grace sustains you all during this difficult time.

Warmest Regards,

“ My name is Cindi Dalzell. I met Darlene approximately 8 yrs ago. She was my neighbor in Flushing, MI. She may have started out as my neighbor but ended as my dear, close friend and Sister in Christ. A couple yrs back, she invited me to her Church on Visitors Day and had a big impact on me returning to church and later Rededicating myself to GOD! I adored her motherly nature, her outgoing spirit, and above all, her LOVE OF GOD. I am very saddened by her death but know she's in Heaven, smiling down on us. She will ever be in my heart. My thoughts and prayers to her family and loved ones. RIP MY DEAR FRIEND AND CONFIDANTE.,FOREVER LOVED & MISSED <3

Most Affectionately,
