“ *The words can not express my feelings today. I do know you from northwestern working with Norman and Corey Nelson. The way you handle yourself let me know the kind of person I was around. thank God for people like you around my sons you did make a difference in their life. You Jeff and Toney played a great role in their life. People don't know how people are watching them. They would come home and tell me what happen at school. They would laugh and I would say they are watching the young men at school that gave them reason to go everyone was making it fun. thanks for your time and talks with my sons.....God keep you and make your family strong Rest in Peace.....*

A welcoming and influential man with a lot of impact on so many people's lives from first meeting him, that I know will be greatly missed. I smile today understanding the importance of being a very involved father in my 11 year old daughter's life, education, and coach her in basketball too.

I thank you for being so kind to my son when the other staff members was riding him like a horse. You showed him nothing but LOVE and I thank you for caring so much for my child. My son truly loved you. He also was blessed to see you one last time for a long conversation at the gas station. The conversation was GOD sent and delived by you. To your fam & friends, this was an awesome and caring man that loved every child he encounter. He strived to keep them on the correct path and never judged them or their families. May God continue to bless you guys and strengthen you during this time of sadness. We love you and will continuously pray for you. RIH Coach...muah

“*Hughley family-I was so shock to here of your loss. Know that you are in my prayers. I can remember when I first met the family during the many football, basketball track and field- you name the sport- I could not get away from you, Hugleys. Many of you met with me out on the dock at Northern(we REALLY had fun!) Often I talk about Huey,Bates,Mize, Crosslin, Ewing and THAT Northern crew. I got the double whammy to find out that Carnell (I called him-Hue) had passed. I know that they are all having a good time with Ma. May God grant you serenity in the days months and years ahead. To my dearest Hughley family, I am so sorry to hear about your loss. Darnell was one of the sweetest guys who ever crossed my path in my history at Flint Northern and Flint Schools in general. He always greeted me with a friendly smile and encouraging words whenever we met, and I often needed his encouragement. He coached not only his team but his friends and co-workers. He will be greatly missed in my heart, but his words to me will linger on. Sleep sweetly Dear Angel of God. You touched many, many a heart and life.

“ *Sending my heartfelt condolences to the Hughley family during this difficult time. Coach meant so much to me during my time at Flint Northern. In addition to being my favorite coach, he was a great mentor and father figure. As we get older we look back at all the great people that helped shape our lives and Coach no doubt had a big impact on my life. When I tell people that High School was the best times of my life, he was a huge part of that. RIP you'll be missed.*

He had a nick name for everybody, mine's was "Boney" Lol, and he told us hilarious stories about him growing up in the South. Coach Hughley came to some of my college basketball games at the University of Detroit. That alone speaks of the type of person he was, such a supporter and encourager. He will be greatly missed. “ Family,

Another link has been broken, in our family, as we all know Darnell will be truly missed, from his jokes, to him just being Darnell, he's at peace now, no more pain, but most of all he's with Carnell, Aunt Leera Mae and Uncle Doc, oh what a time they are having. Just remember to keep leaning and depending on God, it's hard now, but know that God is just a prayer away, and Darnell is safe in his arms.

Love you all,

He was always so cool and laid back and would do anything for the children, we laughed every time we were around which was often because I worked in the gym and you know him he couldn't stay away from the gym!! So many find memories, he will truly be missed, at Northern we were all like family!! One of the fondest memories of having classes at Northern you always kept us in check and made sure we were in class.
