“ I remember how sweet you always were, even as a baby. You have made so many of us smile. In our last conversation, I said you will always be my baby. You smiled and agreed. You were much like a little sister than a cousin. I will miss you dearly. You are in God's care now, and I will see you again. Blessings to her Mother (Auntie), my family (Pugh family), all her other family members, friends and everyone who loved her.

“ To the Pugh Family:

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
