“ My fondest memories of DeRon is when he was old enough to join the North Central Church of Christ youth group. I knew him since birth so I was excited at the thought that he was even old enough to join. His smile always made him look shy. He loved to laugh but not before bringing his hand to his mouth. Never had any problems with him. I valued my time with him while he was in the youth group. Peace and love 💕 to the family. May the Lord bless you all.
