“ *Sometimes I wonder when the wind blows is your soul intertwined ,
sometimes I wonder when I see a butterfly is it a sign.
What's a girl without her Dad?
I miss you more with each day that passes and I constantly replay
our memories and your jokes in my head, that's what keeps me
going...*

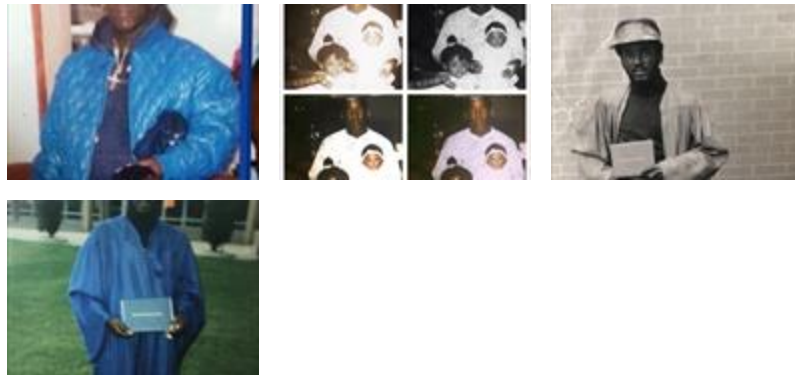

-Sincerely,

Your doll baby (I'm lost without you) 🥹🦋💕

“ He was the best dad a girl could ever ask for. I miss him everyday. There is not a day that go by that i don't miss him. I would give my last breath to see him again , to hear his voice, to breathe his air, to look into his glossy brown eyes, to feel the love he gave me, to lay on his shoulder and take back all the wrong things i said, to just say one last time Daddy Darrell I LOVE YOU and to hear him say it back. What i wouldn't give to hear him say the words I LOVE YOU one last time. I LOVE YOU DADDY DARRELL AND YOU WILL ALWAYS LIVE IN MY HEART.
