“ Thanks for all the talks and laughs. You were such a good listener. And even though I was giving care to you, in your own way, u helped me get thru my days. You were so strong and u didn't play; I admired that the most. Your personality had no boundaries. It was truly a pleasure to know you. I wish I was able to see u once more but time didn't permit. I know that one day I'll see that big smile and those bright big eyes again and we'll crack jokes, laugh and listen to some music. Until then, rest well. You were my favorite and I think u know that. Love Crys
