“ Dear Bowie Family,
Our prayers and thoughts are with you all as you remember your precious mother. "Ms. Reesie" was mother to us all as we grew up many years ago on Root St. next door to each other. Your mother was one of the first we ever knew besides our Mom, and we always knew we were a part of the Bowie family. Though many years have passed, and miles sometimes seperate us, we can always come home to each other, knowing that time is a small element in our lives and can not replace the true love that we have always held for each other. Find comfort in knowing that our mothers are reunited, laughing and drinking coffee as they still watch over their children. We will keep you all in our prayers. May God bless and keep you during this difficult time. With much love, The Williams Family.
