“ Darrius,

You had a great heart man. I remember the fun times we had back at Doyle Ryder. It was always nice seeing you around. Even though we didn't talk consistently after Elementary it was always just like old times whenever we would meet up. I guess that's the mark of a true friend. No matter how much time may pass, their friendship is still the same. You will be missed bro. May God bless your family. You are all in my prayers.

“ Darrius,

I was just looking at the homecoming pictures we took in the 9th grade. We were so happy to finally be in high school. The word 'friend' doesn;t begin to describe you...you are my brother. I will never forget the life you had and the times we shared. Your family is mine and mine yours. May God bless your family and keep your soul at peace. I love you brother...

God be with the entire family during this difficult time. The Barbee family will be praying with and for you. It was a joy watching Darrius grow up. I used to tease him about being so tall. He would laugh and flash his beautiful smile. He will be missed but we all have so many wonderful memories. Sending our love to as well.

“ Darrius, I still can't believe you're gone man. I know we grew apart and didn't keep in touch like we should've but I thought about you more than you know. I've been trying to think about the good times we had back at Doyle Ryder and Whittier...we used to be crazy man. Me and Ryan were just talking about some of the stuff we used to do back then. I'll be praying for your family man....I love you.
