Darryl & Shalonda, my heart hurts with you, however no one can fathom the measure of pain you're enduring, no words of comfort can take that pain away, however God's grace is always sufficient and I'm praying that He provides an abundance of healing grace for you both, his siblings and all who loves him, no matter how long or how often your pain lingers, helping you heal. Prayerfully God will mend your hearts, and the entire family, my daughters and I are saddened by Lil D's transitioning too, wishing I could actually hug you physically and not just with my prayers, my deepest condolences and prayers are with you and on any given day, I'm just a call or text away.
