“ *I have known David and Denise for years and both are good people. It will be strange seeing one without the other but something good will come out of this.*

My heartfelt sympathy goes out to the entire family. Just remember that you are completely surrounded by the love of friends and family that loved David dearly.

“ *Forever In Your Heart*

When you speak of him speak not with tears for thoughts of him should not be sad.

Let memories of the times you shared give you comfort for his life was rich because of you.

And though for now you had to part,

though to part he did not choose;

he'll be with you along life's path,

Forever In Your Heart.
