“ I will miss those crazy telephone calls and messages I received on both telephones that was very important " emergency " and he needed me at that moment according to him. I could not say no to him due to the connection and relationship we had so I took care of the emergency. We have shared a lots of laughs, good and bad times and Babe always had my back. I am thankful I had the chance to get to know and enjoy him during his time on earth. I know he is now in a better place and he is no longer suffering. Memories of Babe will always be in my heart. I know he will still be attempting to keep up with my business, which he thought I had so much of and he wanted to know what was going on. He will be deeply missed by our family. Rest in Peace.

“ Babe and I shared a long relationship, and that relationship consisted of us being there for each other when needed. A majority of the time I was the one on call and available to assist him with the project he was involved in at that time. We often laughed and talked about each other in a way that only we understood. There are some moments I will treasure and often laugh aloud when thinking of those memories. I will surely miss Babe but he will live on in my heart with love.

“ My condolences to you and your family on your loss. May God Bless your family. Sorry to hear about "Bae Brother". Just a few words of comfort, form The Roy Family, to each of you.

"We are never prepared for the loss of a loved one, but God is always prepared to help us through that loss. May His presence begin the healing in your heart and soul, and may His love surround you with the comfort only He can give."

"LIFE...so fragile. LOSS... so sudden. HEART...so broken. In the wake of such a loss, we're haunted by things we don't - and may never - understand. Yet the solace we seek may not come from answers. So we look for comfort in the belief of love's everlasting connection. May that love lift you, hold you close, and give you peace."

*Love Always,
