“ David was my boyfriend in highschool. I met him on a college tour trip. I lived in Lansing and we would correspond through letters mostly. He was such a happy person and spiritual. I don't have one memory of him being down or sad. We had lost touch and I had not spoken to him in 19 or 20 years. I always wondered how he was doing. The news of his death came to me this morning. It is a sad situation. My condolences go out to all the family. God Bless.

If he was laughing, you were laughing. Just a good cat. May God bless you and keep you in this time of grief Jackson family. Peace and Blessings, K.O. c/o 90

“ David, I know that you are in heaven watching over us. It seemed like yesterday that we all played together. Everyone thought that we were related because we shared the same last name. I am really going to miss you.

I pray for the entire family that God will bring you strength; courage and peace.

“ I offer my condolences to the Jackson family. David was one on the most lively persons I knew. David was excited about everything and he truly loved his kids. I also have the pleasure of knowing his sister, so I know he was cut of great cloth. Take Jackson Family.

“ Dave, I was looking for you today on the highway. I remember when we saw each other on our way home from work, and then I cried. I had a tough time today working in the O&P field. Every where I looked reminded me of you and then I laughed, smiled and I cried some more. If it were not for you I would never have graduated, you kept pushing me. Thank you for not giving up on me. I have to continue on in your memory, I will not let you down. I was the lucky one because in O&P program our benches were connected together & and I got to see your smile & hear your laugh every day for a year. I will always remember all our talks about your family and mine. Thank you for sharing a part of your life with me and for being my friend. I will never understand why you were taken from us and my life will never be the same. God needed a rose so he picked you. You will be greatly missed, but NEVER forgotten. I will miss you.

“ Dave,
I had a tough day working in the O & P field today. There were a lot of reminders of you everywhere I looked. You got me through just thinking about all the silly things you used to do in our classroom! It brought a smile to my face:) Thank you for sharing a part of your life with me.
You are one of the most happy and fun loving friends I have known. You will be greatly missed, but never forgotten.
