“ *It is always hard to lose a loved one, especially since the bible makes it clear that Jehovah God did not intend for humans to die. However, do to the disobedience of Adam and Eve we do die (Genesis 1:28, 2:15-17). Be at peace knowing that your loved one is sleeping in death for just a little while for the Bible tells us at Isiah 26:19 that your dead ones will rise up and live again. It truly is a wonderful hope to reunite with our loved ones that we have lost in the best conditions right here on earth. The bible tells us that "The righteous themselves will possess the earth and reside forever upon it" (Psalm 37:29). This truly is a wonderful hope that our loving creator Jehovah God has given us. If you have any questions or would like to learn more about the hope for dead loved ones, or just need someone to talk to please feel free to contact us art the e-mail address left or call at 810-965-2807.
