“ *It has been almost 3 years since you have past.  
You have been my best friend since the 8th grade when you would  
not share your locker with me, punk.*

*You were my brother  
I did not handle your passing too well.*

*I thank God for all the times and memories that we were able to  
share with all of our friends starting at Holmes, onto Flint Northern  
and beyond.*

*When I get there, you better have a pack of cards, some good  
comic books from the 70s & 80s, a 1980s 7-Eleven Big Gulp and  
Double Cheeseburgers.*

“ David,  
This is a hard one for me. I really appreciated hearing from you and Vernon. I enjoyed the walk down memory lane. I didn't realize that would be the last conversation we would share. The best times of my life were spent with you, Jeff Sudberry, Vernon Sudberry, Anthony Burkett, Tyrone (T-bone) Wilson rolling through Flint. I have memories that I will cherish forever. Thank you for being such a great friend. RIP brother until we meet again.
