“ Day Day we grew up through elementary jr high and high schools. Our generation is one of a kind. Our parents raised us right. Yeah that man purposed to me at a young age, then we realized we weren't ready. We swang in the trees like Tarzan and Jane, played sports until the street lights came on, partyed like it was 1999 at the street dances, climbed fences like boys and girls in the hood, became adults and mellowed out. (My condolences goes out to Mr and Mrs Munerlyn and family) I see where those good looks and intelligence come from. My deepest sympathy with the Lord's Prayer 🙏 and love.
