“ *To the Taylor family and close friends of David,*

I was stationed at Andrews w/ David and he is one of the most genuine ppl that I've ever known! Although I hadn't seen him in a few years, when I learned of his passing I instantly missed him. I take comfort in knowing that David loves God (many inspirational convos and e-mails shared by him over the years) and that we will see him again! May God's peace comfort you during this time...
