“ To My Brothers- Sherman, Thurman & Family:
Looking back over 40 plus years, we share lots of great memories. Pops was shaping us and preparing us for real world experiences at our young age of 12. Through his hard work and dedication to his family, he taught us memorable work ethic and led by example with commitment to excellence. His tough love and valuable lessons will never be forgotten. Pops was very proud of his entire family, especially Taylor Special Care and the accomplishments that you all have achieved. He ran his race, he finished the course and his legacy lives on. Hold to God's unchanging hands. He will give you the Strength, Peace and Comfort to endure the days ahead.

Always,

“ To Thurman, Sherman and the Taylor family. Your dad was always special to me and was a great man, like a second father when I was in high school. He always had a smile on his face when he saw me and he always looked out for me when I worked at V-8. I have lots of great memories. You all have my deepest sympathy.

“ To Brenda and the Taylor family you have my deepest sympathy. I met David at the bowling alley and bowled against him on the league. He teased me win he beat me saying he enjoyed whipping up on a young man. He was a very friendly and fun loving guy. Of course I returned the whipping later and we had a good laugh. That smile on this picture tells it all. He was a great guy.

“ My memory of Bro. David Taylor is that He always had a positive attitude, and a smile on his face. My last time visiting him in his home, it was obvious that he was in pain and not feeling well and I told him "I don't understand how you can have a great attitude and smile when you are not feeling well" His reply, "What else is there to do; if I have a bad attitude it'll make it worse" My prayers are with Sis. Brenda Taylor, and the entire Taylor Family. South Flint Tabernacle will never be the same without Bro. Taylor. Blessings to all!

My deepest sympathy to the family of Mr. Taylor, and the late Mrs. Sarah Taylor family. They were my family when I arrived in Flint just because of the AL connection and they never wavered. I will miss them both. God got two good jewels for his crown.
