“ *I don't know David directly, but David looks like he had a beautiful spirit about him. And I know he sung for the Lord and gave services unto Him through the choir. At least we know who's side He is on. => I would like to send a prayer of peace, love, and the comfort of the Holy Spirit to David's family, friends, and loved ones. May God bless you all, as you celebrate the life of David Wilson. Remember Jesus said He will never leave you, nor forsake you. My love to you always,*

“ *Prayer For You Today
I said a prayer for you today
And know God must have heard
I felt the answer in my heart
Although He spoke no word.
I didn't ask for wealth or fame,
I knew you wouldn't mind, I asked that
He'd be near you At the start of each new day To grant you health
and blessings And friends to share the way. I asked for happiness
for you IN all things great and small, But it was for HIS loving care I
prayed the most of all.
I Love You Dave.*

“*David Wilson joined the Wayne State University Gospel Chorale in 2003 since that time he has been a faithful member. David was a caring and loving individual who was undying in his generosity and enthusiasm towards the choir. David was charismatic, cheerful and always kept a smile on his face even in the face of adversity. In December of 2005 David was forced to endure the biggest fight of his life and even in illness he kept a positive spirit and humorous character. Through sickness David showed us what it means to be faithful and persevere. He is by far the most courageous individual we've encountered and is truly an inspiration to us all. Whether it was with his charming persona or never ending wise cracks Dave was an all around great guy. So, David on behalf of the Wayne State University Gospel Chorale in it's entirety we would like to thank you for showing us how to glory through tribulation, and know that only what you do for Christ will last. We look forward to seeing you again in glory!*

“*I have come to realize that God can do all things, except make a mistake. He knew the inside and outside of David, so glory to God for bestowing peace and everlasting life upon him. Weeping may endure for a night, but praise God that He gives us all joy. May the family continue on, because David is now free. May God send you all comfort and understanding.*

“ I would like to express my condolences to the Wilson Family. David was such a sweet person and I will miss him dearly. I actually met David at a bible study. It was our first year of college in the dorms on the campus of Wayne State University. My best friend and I just thought that he was so adorable, just like a teddy bear. ;-) I used to talk to David and get friendly advice all the time. I hope that his family and friends remember all the good times that you shared with him. He's in a better place and he's not in pain anymore. I have hope that I will see him again on the other side. May God's peace be with you all.

“ "And let us not be weary in well doing: for in due season we shall reap, if we faint not." Galatians 6:9

Despite the battle you fought with your fleshly illness, you didn't faint. Now, you're surely reaping your harvest. Rest in peace, brethren! I love you, and I want you to know that the seeds you planted have grown and there are many more that are sure to grow hereafter. LOVE.

“ David was a very sweet, generous, gentle, loving, all of the above person. I really enjoyed the time we spent with one another. The very first time I saw David the nickname "BABY" came to mind. I would always spend time with him over his house, laughing and joking with one another. Baby would always call me to see if my day was going good, and talk to me about thing's that was on his mind. I will never forget his presence and the spirit he had. Mrs. Wilson I love you and you can always call me. My condolences to the family. Baby is now with the Lord. Love you all.

“ *David (Scooter)*
I think about the days of living on Ridgeway when your mom and I were neighbors. I remember when your mom was pregnant with you how excited the girls and I were when she brought you home from the hospital. “ Be encouraged and God will always be there to comfort you!! I will continue to pray for you during this time. Well I have so many memories of "Baby", I couldn't share them all, but all I can say is that he was such a caring person, and he would give you his last if it came down to it, I remember all the jokes he would make about me and Toya, Kris, Antjuan, Jere, and the times we had over on Brainard, we had sooo much fun!! He will surely be missed by soo many people, I thank God for bringing him into my life, and also to his mother I want to say that I love you and I see why Dave kept it real, he didn't hold anything back. I think about Job in the Bible and how he lost all his kids and God blessed him soo much at the end, b/c Romans 8:28 is what I can see, so , I feel that God has so much in store, and that God will bless you even more. Be Blessed

“ I would like express my prayers and condolences to you on behalf of my family. I did not know David personally, but I knew him through the WSU Choir and his friendship with my son DeLorean. He often shared his concerns and admiration for David from the time he was first hospitalized until his passing. We prayed for David and you while he lived. We continue to pray for you now. In the words of King David in the Bible: He will not return to you, but you can go to him and see him again on that day. Be blessed and know that he was a God-Lent child. We love you and God does too. He will carry you through this. Remember David's love, courage and strength and hold on to that and the Lord to get you through. David is safe in the arms of Jesus.

“ I would like to say that I wish I had the chance to know you David..but I was a year too late. All of the meaningful, life changing things people shared about David was so touching. His spirit makes me feel as if I known him for a long time. I never felt this way about anyone at all..as far as when they pass away. Even though I never had the chance to see or get to know David, I just know for a fact that he is a wonderful man of God and servant. He feels like a my own brother. The impact he has had on me was truly a huge impact. I will miss you David and its good to know that you have no more worries, pains, or problems. Now your in a far better place where you can rest in peace. I LOVE YOU BROTHER!!

“ To the family of Mr. David Wilson, you have my deepest sympathy. I work at providence hospital in nutritional services dept. and had served him and his mother trays a couple of times. It shocks me to find out that he was from my hometown and went to WSU with me by checking out the flint journal obituaries on Christmas day. I am sorry I wasn't able to attend the funeral and represent Providence. I gave Michelle (the original diet assistant that works the 3rd floor) the obituary and she was very sad. David had an outstanding mother that sat with him aallllll day, he was very blessed. Providence has the family in our prayers.
