“ *To My Family*

*I believe that there's a Grand Designer behind everything. Our life is not a result of random chance, fate or luck. There is a master plan. HIS master plan. We make not understand why but God makes no mistakes. I'm going to miss my girl - she was a remarkable woman! I just want you to know that for whatever reason, whatever time of day..... I'm only a phone call away.*

“ Nikki was one of the most devoted hard working nurses that I had the privilege to work with. I was her Nurse Manager for about eight months and she would always go the extra mile for her residents and even come in during the middle of the night when we were short staffed. We also became friends and had alot of fun at work together. Many days when I was fed up at work or exhausted she was the one who brightened my day and made me want to hang in there. I have only talked to her a few times since leaving but our plan was when i became Administrator in a building she would be the first person i call to come and work with me again. I was distraught to hear this tragic news. I will miss her deeply and I know all of her residents and coworkers will. What a huge loss to our profession. My deepest condolences go out to her family. I know she loved you all deeply as we shared many stories of our families at work.

“ *Black Pearl from your family in Tulsa, Oklahoma and Irving, Texas. Our memories of you will be cherished forever. One we'll never forget is when we were kids and you visited Tulsa for the summer ; excited, dressed up in red and white and won the talent show at the library singing Ray Parker Jr.; you captivated all of us with your performance. What a blessing you've been to us all and many others; we know you are now in the arms of our heavenly father. We Love you and we will miss you!!!*

“ *Juan and Devlyn,  
No matter how old we are, losing a mother is one of the deepest sorrows a heart can know, but her goodness, her caring and her wisdom live on, like a legacy of love that will always be with you. Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow. May your heart and soul find peace and comfort.*

*May the blessings of love be upon you, May its peace abide with you, May its essence illuminate your heart, Now and forever more Blessing!*

*Hold tight to memories for comfort, lean on your family for strength and always remember how much you are cared about. We pray the love of God enfolds you during your difficult times and he helps you heal with the passage of time. May the love of those around you help you through the days ahead. We love you and May God Bless you!!*

“ *Words cannot even begin to express the loss of a grandchild but GOD put His arms around you and whispered "come to me." With tearful eyes we watched you, and saw you passing away. Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best. It is with comfort to know that you are now an angel reunited with the ones that has gone before us my son and your father (James Beard) and your grandfather and my husband (Leslie Beard). I will forever cherish the time we spent together and memories of you will forever be in my heart. I will miss you and I Love you Always!!!*

“ To the Deloney family;  
My family would like express our deepest sympathy to you all. In this darkest time.I would like to share something from God's word the Bible that helps me and my family. At John chapter 5 verses 28, 29.Jesus said that those in the graves will hear his voice and come out. He was talking about the resurrection.The reason he gave his life.John 11:11-45 the story of Jesus' friend Lazarus. Notice his conversation with Martha. Again let me say how sorry we are about your loss.
